

Kaye is a Licensed Esthetician who graduated from Glen Dow Academy in 2010. She specializes in full body waxing and customized skin care treatments using micro-current, LED therapy, microdermabrasion, and gentle peels. She also informs her clients how to create a home skincare regimen that will keep their skin healthier and younger-looking. Kaye provides non-traumatic peels, result-oriented skincare services, eyelash extensions, and make-up services. Her passion for knowledge in the ever- changing skincare industry ensures that she stays informed of the latest technologies such as LED/micro-current, oxygen treatments, microdermabrasion, and ultrasound. Every product has been tried, tested, and hand chosen by Kaye herself before bringing them into the treatment studio.
